### PHOTOGRAPHS:

Dunedoo Central School, from time to time, use photographs of students and student work to promote our school in publications, including, but not limited to, the school website, intranet, school magazine, Facebook, Dunedoo District Diary, Newsletters and Annual School Reports. The school will not use your child's photograph for any purpose other than the education of students or the general promotion of the school or public education. Before photographs of work can be used for the above purposes, the school requires permission from parents or caregivers. Could you please complete the slip below and return it to the school to provide your permission for your child's photograph to be published.

I give permission for my child \_\_\_\_\_ of year \_\_\_\_\_ to have their photograph and/or school work to be included, but not limited to, the above publications.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_/2018

### HEAD LICE:

Checking and treating children's hair is a parent's / caregiver's responsibility. It is good practice to check your child's hair weekly for head lice. Sometimes the school community will arrange head checks if there is a community outbreak of head lice. This form is to seek consent for your child's head to be inspected if the need arises.

I understand and accept that any child found to be infested will be withdrawn from close contact with other children until collected from school. The child is then required to be treated by the parent/caregiver. I understand that I will need to collect my child promptly if head lice are evident as a result of this check.

I give permission for my child \_\_\_\_\_ of year \_\_\_\_\_ to have their hair checked for head lice and eggs. I understand any such check will be conducted sensitively.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_/2018
