Principal's Message

Welcome to Week 10!

Last week, HSC results were released. A number of our students performed very well and have already received Early Entry Offers to the University of New England and the University of Newcastle. Tyson Craggs has also begun his apprenticeship in Dubbo, which he was able to take up after a successful VET work placement. Congratulations also to Zac Green of Year 10 who was successful in gaining a School Based Traineeship with the Warrumbungle Shire Council in the area of Horticulture. Zac will begin working one day per week next year, while completing his Preliminary HSC Studies.

Last week a number of our Year 10 & 11 Mathematics Students, Mrs Cathy Gallagher, Mrs Rachael Hogden and myself attended workshops presented by Eddie Woo. Eddie is an Australian Mathematician; he is currently Head Mathematics Teacher at Cherrybrook Technology High School and is known for his innovation and dynamic presentations in the classroom. Eddie started posting videos online for a sick student in 2012 and now shares his videos through Wootube, which boasts more than 100 000 subscribers. He was recognised at the Australian of the Year Awards and received the 2018 NSW Australia's Local Hero Award. His presentation was very inspiring; Rachael and Cathy both had the opportunity to talk with Eddie during a staff workshop and Dinner.

This week parents will receive Year 6 and Year 10 VALID results. VALID is the Validation of Assessment for Learning and Individual Development for the Science Key Learning Areas. In Year 10, 9 students completed the assessment. 89% of this cohort achieved above the state average with 67% of the students achieving in the Top two bands. A great result for our Yr 10 students. In Year 6, 15 students completed the assessment. 33% of this cohort achieved above the state average with 33% also achieving in the top 2 bands.

Last week our Adult & Year 11 Textiles Class had a display of what they have made this year. These people are very creative and should be so very proud of their efforts, ably assisted by Mrs Bronwenn Douglass. Nakita Martin, from Yr 12 should also be very proud of her Yr 12 Major Work and results in the HSC for Textiles and Design, achieving a Band 5 for her Overall result—this places her in the 2nd Highest Band for this subject. Well done Nakita!

Tomorrow we will be distributing to students their Lions Club Christmas Gift. This is an extremely generous donation from the wider Lions Club community with donations coming from a number of districts across our Country— from as far away as Perth. We hope that in some small way this will help parents with providing equipment/uniform for 2019 or a small gift for your child. Again the generosity of people is overwhelming.

Staff Changes 2019

This week we farewell two of our longstanding staff members. Mrs Elizabeth Abbott has accepted a transfer to Dubbo South Campus and Mr Chris Bush will be transferring with his family to Willyama High School at Broken Hill. We extend both Elizabeth and Chris best wishes; thank them most sincerely for their time at Dunedoo Central School and for the many opportunities they have provided for our students. Miss Lucy Besgrove will be replacing Mrs Abbott for 2019 and we are waiting for an appointment from staffing for the PDHPE position.

Finally I would like to wish everyone a very Merry Christmas and hope that you have a safe and relaxing holiday. I look forward to seeing you all in the New Year!

Have a great week.

Donna Lane
Principal

Infants & Primary Weekly Merit Awards

K/1	Kylie Brougham	Being a wonderful support for Kindergarten/Year 1 and always willing to do any job.
2/3	Belinda Hogden	Always getting in the pool at Sport, even on cold days!
2/3	Nola Super-Power	Always helping every student whenever they need a hand!
2/3	Teena Besgrove	Finding creative ways to help children complete their learning tasks.
3/4	Debbie Craggs	Being a very reliable SLSO who has had to display patience throughout 2018 with Year 3/4.
3/4	Brianna Milsom	Displaying enthusiasm and patience when working with students in Year 3/4 this year.
5/6	Lisa Johnstone	Making Sport days fun by showing enthusiasm.
5/6	Ailsa Watton	Being a kind and caring role model to others.
Mrs Gallagher's Merits	Lisa Johnstone	Being super helpful in Mathematics and always making our time together fun.
	Ailsa Watton	Being a great support in Science and Music.

PRIMARY STUDENTS

Please restock your school equipment & pencil case over the holidays (e.g. pens, pencils, glue, scissors, ruler, etc.).

Thank you!

Infants & Primary Week 10 Activities/Transition

To support a smooth transition into 2019, students will follow new routines, details as follows:

TUESDAY:

Morning - 12:00pm: students start the day in 2019 classrooms.

12:00pm: 5/6 and 3/4 class parties.

Afternoon session: K/1 and 2/3 class parties in the hall.

Wednesday

Students have whole day in 2019 classroom.

We are looking forward to a smooth and successful completion of school for 2018 and a great start to relationships and learning for 2019.

Mrs Shephard & Mrs Gavin

INFANTS NEWS

Kinder to Year 2

The last post for 2018 brings many happy memories of great learning and fun throughout this year. Some memorable moments include the first day of big school for our Kinder students, the Swimming Carnival for our 8 year olds and Year 3's, making our We Care People message as a stand against bullying, the 100th Day of School celebrations, the Easter Hat Parade, Cross Country, Athletics Carnival, our excursion to the Zoo, our evening to Mudgee to perform and Macca's on the trip home, Intensive Swimming and the Production. All of these as well as the wonderful moments everyday when a child mastered a new skill in reading, maths or even learnt to skip with a rope.

Memories to treasure over the holiday break, so that we are ready for another fun filled year of school in 2019.

I would like to take this opportunity to thank all the Teacher Aides and parents who have helped throughout the year, you are all very much appreciated.

We wish you a Merry Christmas and Happy New Year. Be safe and take care.

Ms. Michelle Gavin, Assistant Principal Infants

Kindergarten / Year 1: Hello all,

Welcome to the last week of the school year. It promises to be a fun one with plenty of cool things on offer. The children are most excited about moving in to their 2019 classes this week and being in their new classroom with their new teacher.

The Intensive Swimming Program was a huge success. The mini Carnival last Friday was fantastic and the improvement in swimming ability was amazing. A big thank you to Sharon Nott, parent helpers and our Year 9/10 students who helped instruct our little ones. I strongly encourage everyone to practice what they have learnt over Summer.

Students will be bringing home books each day over the next couple of days culminating in their portfolios tomorrow. Don't forget we have our class party tomorrow and students are asked to bring a small plate of food to share.

Thanks to all the reader mums who have tirelessly given up their time every week to listen to the students read: Emma A, Tash H, Kristin S, Kelly N, Lindy P, Nicole F and Raelene S. The children love having you visit each week and I appreciate the massive time commitment you have given to help our reading program. Also a big thank you to our Teacher's Aides: Kylie Brougham and Debbie Craggs who have done a wonderful job supporting our K/1 students throughout the year. Lastly, I would like to wish everyone a Merry Christmas and a Happy New Year. Enjoy the break and travel safe wherever you may go. I look forward to seeing you in 2019! **Mr Ben Kline**

Year 2/3: What an amazing team of children our 2/3 group have been.

It has been a privilege to see each person grow and develop confidence in every area that required perseverance this year. I am so proud of how everyone in 2/3 shows how much they care about each other in good and sad times.

Congratulations to everyone who reached a personal milestone in their learning. Keep striving for your personal best in all areas!!!!

Have a safe and happy holiday! See you all in 2019.

Ms. Michelle Gavin

PRIMARY NEWS

Years 3 - 6

Well here we are—the final week of school for 2018. This term in particular has gone so quickly, with a whirlwind of activities keeping us busy. Last Tuesday's Annual Award Night was a highlight, and so many parents and guests came along to help us celebrate the successes of our students. Congratulations to all who received awards last week. Also a big congratulations to our newest Primary SRC captains, Maddison and Luke, who didn't have much time to spare between their appointment and their first job, which was hosting the Year 6 Graduation Assembly on Friday. They did a fantastic job! It was great to see so many parents and visitors coming along to help us celebrate our Graduating Year 6 cohort. The Assembly and following Big Day Out was a lot of fun, and we wish our Year 6's all the best as they start high school in 2019.

Classes for next year are organised, and students will spend most of this week having a 'taste' of their new class. I am confident that our class structures will maximise opportunities for ALL students, and we have put a lot of thought and planning into our new model.

Finally, Primary and Infants class parties will be held on Tuesday from 12. We are all looking forward to having a fun week, full of Christmas cheer. Have a safe, relaxing holiday break and we'll see you back here in 2019. Merry Christmas. **Mrs Georgia Shephard, Assistant Principal**

Year 3/4: Hello and welcome to Week 10, Term 4. We made it!!! I am pleased to say that the 2018 school year is coming to an end. Parents and carers please note that the last day of school for all students is this Wednesday 19th December. Year 3/4 will be holding our class party tomorrow at 12pm (Tuesday) in our classroom. Information about party food/drinks will be sent home today. You may have already read the school's Facebook posts over the weekend about what's happening this week at school in regards to transitioning into 2019 classes. Students will be spending the majority of their time this week with their new teacher which will either be Mrs Tammy Gallagher or Mrs Georgia Shephard. As this is my last newsletter item for the year, I would like to wish all DCS families a very happy and safe Christmas and New Year holiday. All being well, I will see you again next year! **P.S** – If you are interested in a memento from 2018, please keep your eye out for the 2018 School Magazine! Pre-orders can be arranged at the Front Office.

Cheers, Mr Adam Honeysett

Year 5/6: Thank you to all who attended last Friday's Year 6 Graduation Assembly. It was both a fun and touching way to farewell our class of 2018. Our Big Day Out in Dubbo was a huge success as students participated in Bubble Soccer, Lazer Skirmish, Basketball and finishing off with Macca's for lunch. Thanks to Mr O'Brien for joining us, and especially for the support given to 5/6 this year. Our class party is tomorrow, with everything fully supplied through Mr O'Brien's work with Return and Earn! How lucky we are!

It's been a good year of learning, and we have been very fortunate to have had Lisa Johnstone and Ailsa Watton in our class for additional support. Together we have learned so much about each child, and I am extremely proud of their achievements this year. Our PRP's are amongst the best I've ever seen, and I have truly enjoyed watching students learn and share their ideas, opinions and knowledge with one another.

Have a well-earned break, do something nice for yourselves and each other, and have a happy Christmas. **Mrs. Georgia Shephard**

Library News

Welcome to my last week as the Teacher Librarian at DCS. After 11 years, 22 book fairs, over 10,000 new resources, numerous computer upgrades, the building of the library annex, iPods, iPads, robots, giant chess, chess tournaments, board games, major rearranging of the shelving and library space, extensive weeding of all areas of the collection, student laptops (DER and BYOD), a new library management system, library barcodes on the front of books, shelving built by Mr Booth and more by Mr Constant, including production props in library displays: 2012 palm tree, 2014 Tiddalick the Frog and the 2016 Priscilla slide, and 4 library assistants (Karen, Ailsa, Alison and Mel), I have accepted a transfer to Dubbo College South Campus where I will be a full-time Teacher-Librarian.

I have enjoyed my time at Dunedoo working with Kindergarten to Year 12 students where my week could include everything from finding the next great read for a Year 2 boy to a really sad book for a Year 8 girl. A secondary student would need help researching the breeding habits of a komodo dragon. A primary student wanted a YouTube clip converted and then shown how to include it in a PowerPoint. Picture books were located for Stage 6 English. Year 3 girls asked for more books about fairies. Release dates for new books in series were noted. Damaged books were repaired. Hundreds of books were organized by genres to make it easier for students to find what they needed. Over the years, I have taught anything from Kindergarten French to Stage 6 Textiles. Thank you to all the students and staff I have worked with during my time at Dunedoo, especially my wonderful Mel.

Merry Christmas. *Mme. Abbott*

Maybe **CHRISTMAS**,
he thought,
doesn't come
FROM A STORE.
Maybe **CHRISTMAS**,
perhaps, **means**
A LITTLE BIT MORE.

Why Wear a Uniform?

We are a school that requires all students to wear uniform and we do it very well. It is valuable to consider why wear a uniform. There are a number of powerful reasons:

We are all seen as equal: All people judge others by their appearance. They develop expectations of them and react accordingly. The wearing of a uniform means that people are not misjudged as individuals or, judged by something as superficial as the clothes they wear.

No competition: The forces of fashion are very strong. Without a uniform, many students would compete in a costly exercise. The winners would be those who could afford it. This would divide our school.

We are all members of one community: By wearing uniform we identify as one group rather than lots of small groups. One reason gangs have not become a major problem in Australia is because our school students wear uniforms.

Safety: Uniforms help us make our school safe. We can more easily identify people who should not be within the school and who could place students at risk. We can also identify you more easily if you need assistance because your uniform says you are one of us.

Members of a team: We all enjoy and take pride in being part of a successful team. The community recognises and supports us in wearing our school uniform with pride.

But we are individuals: We can express our individuality in variety of ways, through our achievement and contribution in academic, sports, musical, social, technological and creative aspects of school life!

Carols by Candlelight

7pm Light Supper....Followed by Carols

DUNEDOO AMATEUR SWIMMING CLUB

On Saturday we held our annual Swimming Carnival. The day was very successful but we couldn't of done it without all the people who volunteered, I can't thank you enough. We would also like to thank our sponsors for supporting our small club.

Also a huge Well Done! to all our swimmers. There were lots of places and PB's as well as some of our littler swimmers racing their first race at a carnival. You all should be very proud of yourselves.

This week training will only be held on Tuesday, and there will be no Time Trials on Thursday. Training will start back on the Tuesday 15th January and Time Trials on Thursday 24th January. Hope you all enjoy your break!
