

Year 3/4 Leadership and Wellbeing trip to Wambangalang

Year 3/4 had a magical day at Wambangalang today on their Leadership and Wellbeing Day Out, where they had a taste of orienteering and tested their balance and perseverance on the ropes course.

PRINCIPAL NEWS

Welcome to Week 7, Term 2!

Congratulations to Chelsea Gallagher and Fletcher Hogden who both competed in the NSW CHSSA Squash Championships in Coffs Harbour last week. Both students were very successful in the teams event as members of the WSSA Open Girls and Boys Teams. In this event, Fletcher's team won Bronze and Chelsea's team won Gold. This is the sixth year in a row of winning Gold for the Western Girls team, which is a fantastic achievement. In the individual event, Fletcher lost his first match in the main draw, but then went on to win 3 subsequent matches in the Consolation Plate draw. Chelsea won her match in the Quarter Finals and then lost her semi-final to the Number 1 seed. Chelsea was successful in gaining selection into the NSW CHSSA 15s Team to compete in the Trans-Tasman Challenge to be held at Thornleigh in Sydney from 21st—25th August. Well done to both Fletcher and Chelsea. Thank you to Mrs Stoddart, the WSSA Squash Con-
vener.

Good Luck—to our Open Girls Tennis and Squash Teams, competing in WSSA Finals this week in Parkes.

Congratulations to Bailey Thompson who competed at the NSW All Schools Swimming Championships last week in the 12—15 Years Boys 200m Freestyle Relay MC. The team were very successful, winning a silver medal. A fantastic effort from Bailey and the team!

Semester 1 Exams /Assessments—will take place over the next two weeks, starting in Week 8. Students should be preparing for these exams by revising their classwork and assignments completed during Semester 1. Following this, staff will be writing reports which will be issued early in Term 3. Again there will be an opportunity for parents and students to meet with staff to discuss student achievement and areas for improvement. Preliminary HSC (Year 11) Semester 1 Reports will be issued later this week.

Online Assessments—students in Years 4, 6 and 8 have been completing Check-in Assessments in Reading and Numeracy over the last couple of weeks, along with students from Years 10, 11 and 12 completing their Minimum Standards tests in Reading, Numeracy and Writing. The HSC minimum standard is set at Level 3 of the Australian Core Skills Framework which describes skills across the three areas that are useful in everyday life, for work and further study. Students have at least 4 opportunities each year to achieve this minimum standard.

Well done—to all students who received awards on the Merit Assembly last week. It was also fantastic to be able to award 55 students with a Principal Award for attendance of 95 % and above for 2023. Attendance is the key to students achieving to their potential!

Have a great week!

Donna Lane
Principal

ASSISTANT PRINCIPAL NEWS

A big thank you to Sharon Nott for running the Go-Go Golf workshops over the past few weeks. K-6 students enjoyed honing their skills and the improvement in each person's long and short game was fantastic.

Students in Years 4 and Year 6 have completed their two Check-in Assessments over the past week. Each child sat online Reading and Numeracy tests which will be repeated at the end of the year. This is a great opportunity to track students and to celebrate their growth.

Primary students will be attending their Wellbeing/Leadership Days this week at Wambangalang Education Centre. Year 3/4 (Tuesday) and Year 5/6 (Wednesday) are very excited and looking forward to finding out about the challenging activities they will be facing.

Congratulations to Marnie Roberts for being our 'Catch of the Week' and winning the FISH draw. Marnie did a wonderful job last week with minimising distractions and getting her work completed in class. This week's focus comes from the 'Play' principle and we are encouraging students to play safely by keeping hands and feet to themselves.

This Friday (9th) sees the return of the Primary Assemblies with Year 5/6 hosting their assembly from 12pm in the hall. Parents and friends are very welcome to come along. Year 3/4 will be hosting the following assembly on Friday 23rd June.

The DCS Athletics Carnival will be held next Friday (16th) at Robertson Oval. Students have already been preparing during Fitness and Sport time with Primary practicing high jump and long jump for Sport this week.

Students are encouraged to join in our 'Crazy Hair & Sock Day' this Thursday (8th) as we raise awareness about cystic fibrosis. In addition to crazy hair and crazy socks, students may wear mufti clothes. Please bring a gold coin donation to help the SRC raise money to purchase some disco lights.

Our class attendance monitoring is proving to be a positive move, with students keen to calculate the attendance percentage for the class each day as we mark the roll. This is also reinforcing the importance of being at school on time each day, prepared and ready to learn. A big thank you to parents and carers for supporting children in being able to do so.

Have a great week and enjoy the long weekend!

Ben Kline

Assistant Principal

Dates for your Diary

TERM 2 WEEK 7

Tuesday, 6th June

- Year 3/4 Leadership & Wellbeing Day—Wambangalang

Wednesday, 7th June

- Years 5,6&8 Leadership & Wellbeing Day—Wambangalang

Friday, 28th July

- WSSA Athletics

TERM 3 WEEK 3

Education Week—175 years of Public Education

TERM 3 WEEK 4

Year 11 snow trip+

Year 3/4 class news

Last week was the final session of Go-Go Golf with Sharon Nott. Year 3/4 (and Year 5/6) were lucky enough to head down to the golf course to show off the skills they have developed over the last four weeks. It was a lot of fun and we thank Sharon for all her help and the enthusiasm she brings to the game.

Year 3/4 have enjoyed their novel study of "Nim's Island" this term. We have loved reading the story as a class and, as we approach the final chapters, students are very much looking forward to watching the movie!

GEOGRAPHY—In pairs, students are completing a project on a famous Australian Landmark. Each group's poster, which is designed to increase tourism to their chosen location, will be presented to the class in Week 9. It is wonderful to see students collaborating well and improving their research skills on the laptops. Here are a list of the chosen tourism destinations:

Eloise-Jed	Great Barrier Reef
Ruby-Ashton	Daintree Rainforest
Phoebe-Benji	Broken Hill
Brentley-Dusty	Kangaroo Island
Sally-Elias	Snowy Mountains
Felie-Daniel	Uluru
Indi-Tom	Kakadu
Seanna-Angus-Balin	Sydney Opera House
Summer-Kayden	Sydney Harbour Bridge
Payton-Zac	Coober Pedy

Mr Ben Kline
Classroom teacher

DCS Primary Industries class are studying "Healthy Livestock" and require a practical assessment in handling, identifying and marking sheep or cattle. We are looking for a local farmer who would like a hand with calf/lamb marking. This would involve our students picking up, needling, ear notching/tagging, castrating and tail docking/ringing under teacher supervision. If you know of anyone that may be interested, please contact the school.

What's happening in Mrs Harby's classes

Year 7 Maths

Year 7 have been making incredible progress with their current unit – 'Algebra'. Although Algebra can be somewhat intimidating, the Year 7 class group have all managed to engage in the topic and may have even mouthed the words, "I love Algebra!". Students are reminded that Years 7-10 half-yearly examinations are going to be taking place in Week 8 and that now is the time to be revising topics and consolidating learning at home.

5.1 Maths

Students have just finished up a challenging topic on Equations and are excited to undertake new learning about Measurement. This topic lends itself quite well to the students' interests and its real-world applications. Students need to ensure that they are bringing all necessary equipment to school, particularly their books, so they are able to keep up with the class content. Half-yearly examinations will be held in Week 8 and students will be able to bring in one page of notes.

Year 7 Music

This term has seen Year 7 explore bucket drumming. We were very fortunate to have donations of buckets from Mr Mark Gallagher, Mr Dale Hogden and Mr Vince O'Brien. Students have been able to build their understanding of musical notation to both compose and play the bucket drum. Some students have gone one step further and are applying their musical notation skills to reading sheet music and playing basic piano scores. The class assessment task is due on 9th June and comprises a performance aspect. Please assist your child by encouraging them to attend and complete the assessment task on the day.

Catches of the Week

PRIMARY WINNER

Marnie Roberts

SECONDARY WINNERS

Junior: Bailey Thompson

Senior: Tameka Martin

CHOOSE YOUR ATTITUDE™

You cannot let others determine
your attitude.

Productive attitudes will positively
influence results.

DCS \$CHOOL WINTER JACKET\$

The following winter jacket sizes are still available for purchase:

- 1 x size 4-6 (kids)
- 1 x size 6-8 (kids)

- 1 x size 8-10 (kids)
- 2 x size 12-14 (kids)

Cost is \$52, payment via POP or cash at the Front Office. First in, best dressed!

What's happening in

Mrs Fitzgerald's classes

Year 7 French

This term, our topics include La famille est animaux domestiques (Family and Pets) and Mode de vie Français (French Life-style). Students have been learning the French vocabulary relating to family members and pets and using French adjectives to describe nouns. Translating simple sentences into French and English languages is a skill we are developing. Earlier in the term, students researched animals native to France and wrote an information report about one of the animals. Students demonstrated their translating skills in this activity.

Over the last couple of weeks, we have been learning about the French National Anthem (La Marseillaise) and the French Flag. Did you know the French National Anthem was written in 1792 by Claude Rouget de Lisle? It has six verses, however customarily only the first and sixth verse are sung. A seventh verse was later included as a children's verse.

Students are currently preparing for their half-yearly examination set for Week 8. Developing a regular study routine is strongly encouraged.

Year 7/8 Tech Mandatory (Food Technology)

It has been a very busy time in the Food Tech Room this term. At the beginning of the term, all Year 7/8 Tech Mandatory students rotated classes. Students who were completing Food Technology have now moved on to Textiles with Mrs Douglass.

This term, Group 2 students have engaged with the learning content and practicals with great enthusiasm. So far, we have made a Smoothie Bowl with Granola, Low G.I Choc Brownies and Lemonade Scones with Raspberry Jam. Just a little reminder that every Monday is our practical day. Students need to bring the following to **every** practical lesson:

- \$5 – this goes towards the purchase of our ingredients; and
- A container so that any leftovers can be taken home and enjoyed.

Please do not hesitate to let us know if you have any queries or concerns regarding your child's/children's participation in Food Technology.

Dear Parents/Guardians,

We are delighted to inform you that Dunedoo Central School will again be participating in the world-renowned ICAS competitions this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher order thinking and problem-solving skills in English, Mathematics, Science and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals.

We encourage you to consider entering your child into ICAS this year.

Learn more about ICAS [here](https://www.icasassessments.com/products-icas). (<https://www.icasassessments.com/products-icas>)

How to participate in ICAS

If you wish for your child to participate in ICAS this year, please:

1. read about ICAS subjects and prices [here](https://www.icasassessments.com/products-icas): (<https://www.icasassessments.com/products-icas>)
2. go to Parent Portal [here](https://shop.icasassessments.com/pages/pps): (<https://shop.icasassessments.com/pages/pps>)
3. enter our school's access code – **DSU852**
4. enter your child's details, select the tests you would like to purchase, then proceed to payment.

Please note that the ICAS tests shown for selection are at the school's discretion.

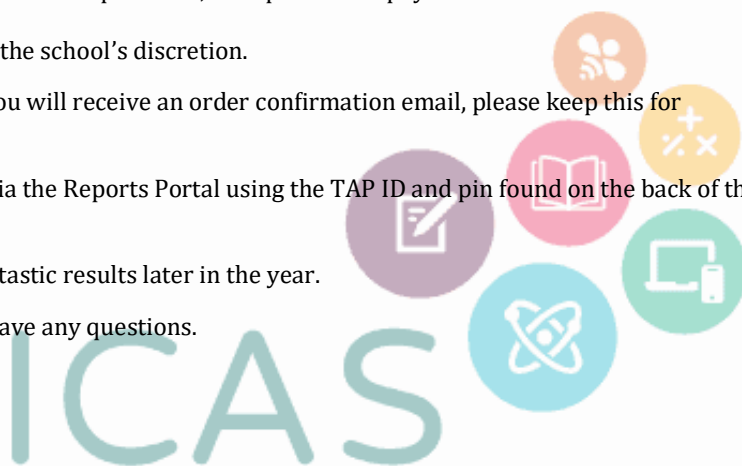

After payment is made via the Parent Payment System, you will receive an order confirmation email, please keep this for your records.

You and your child can access the results once released via the Reports Portal using the TAP ID and pin found on the back of the ICAS certificate.

We are proud to offer ICAS and look forward to some fantastic results later in the year.

Please do not hesitate to contact the school office if you have any questions.

Kind regards,

ICAS SUBJECT	SITTING WINDOW	CLOSING DATE FOR PARENTS TO PURCHASE VIA PPS	PRICE
Digital Technology (Yr 2-10)	7 August—11 August	17 July 2023	\$19.25
Writing (Yr 3-10)	7 August—11 August		\$23.65
English (Yr 2 - 10)	14 August—18 August		\$19.25
Science (Yr 2 - 10)	21 August—25 August		\$19.25
Spelling Bee (Yr2-7)	21 August—25 August		\$19.25
Mathematics (Yr 2 - 10)	28 August—1 September		\$19.25

AUSTRALIAN MATHS COMPETITION

Assessment date: 2-4 August 2023 - Entries close: 21 July, for students in Yr3-Yr12, cost \$8

Call the office to register interest for your child

Paul Murray

Year 5/6

9th June

Wishing you all the best for a fabulous birthday!

Welcome

We are delighted to announce the arrival of a new addition to the Dunedoo Central School family.

Claudia Jen Stuart was born on the 1st June at 8.22am, weighing 3.83kg and measuring 50cm.

Claudia is the granddaughter of our beloved Jen Armstrong, and we think Granny Jen would be so proud to announce her safe arrival. Congratulations to mum Pilly, dad Anto and especially Grandpa Lou.

Transport for NSW

Essential pavement work on Castlereagh Highway from Monday 29 May

May 2023

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work along the Castlereagh Highway between Dunedoo and Mendooran.

What work are we doing?

The work will include excavation and removal of existing pavement and replacement of 860m of damaged road surfaces along the Castlereagh Highway between Dunedoo and Mendooran.

When and where we'll be working

We will be working between **7am and 6pm** from **Monday 29 May**.

We expect to complete the work in **three weeks**, weather permitting. We will let you know in advance if we need to do any work outside these times.

We will be working from 600m south of the intersection of Castlereagh Highway and Digilah West Road, for 900m towards Dunedoo.

We have included a map to show the area of the work.

What will this mean for you?

There will be some temporary traffic changes to ensure the work zone is safe.

Temporary **restrictions to Oversize and/or Overmass (OSOM) vehicles wider than 5.2m** will be in place from **Monday 29 May to Friday 9 June**.

Wide load vehicles should plan ahead, email cnc.west@transport.nsw.gov.au at least two days before planned travel to ensure safe passage, and check signage when approaching the project site.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times.

A 60km/h speed limit will be in place outside work hours.

Motorists should allow up to five minutes extra travel time during this work.

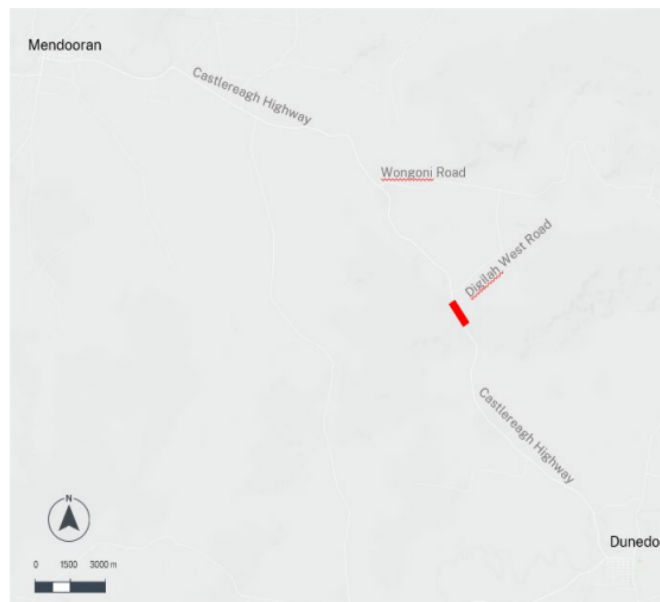

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download Live Traffic NSW App.

Managing our impacts

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.
