CENTRAL SCHOOL STATE TOUCH FINALS

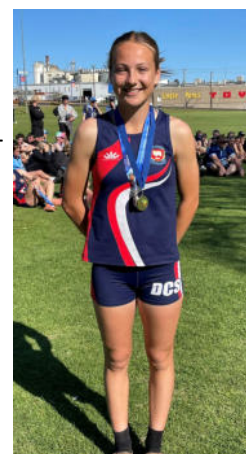

The Central Schools State Touch Football Finals were held in Dubbo last Tuesday and Wednesday. Opening the competition were the Year 10 and under girls. Thankfully Sienna Miller and Indi Bailey came to our rescue as last minute changes to the team were necessary. It was a steep learning curve for many of our players who were experiencing their first year of High School Touch Football. Ivy, Maddie, Ella and Lu improved in every game and Annalise and Chloe now joined the leaders of the group after playing in the finals last year. The competition was extremely tight and with a 4-3 loss to Coolamon, we thought we might be lucky to stay in the medals. However, this was the wake up call we needed, and we definitely increased the intensity against Bingara and Boorowa which allowed us to regain the title of Central School Champions on a countback. Shelley Cox being award the Most Valuable Player (MVP) for the day.

In the Opens competition the girls came up against Bingara, Uralla, Coolah and their toughest match of the day in Boorowa. Plenty of positional changes were made throughout the day, with the pressure on from the first tap off. Ella was keen to make an impact in her new footy team and ensured she asked questions to ensure she put her best foot forward. Chelsea and Shelley continued their awesome form from the day before turning on their magic to cross the line on multiple occasions. Shyloh was the not so quiet achiever, directing traffic in the middle of the field and supporting plays to get amongst the try scorers for the day. Maddie and April earned the trust of the team as they were given the

role of being the far wingers for the day and never let the team down. April even managed to score a double in our game against Coolah, earning her players player for the game. However it was Xanthie and Jemayah's defence and our try saving machine and ever reliable captain Evie that lead by example all day. The girls finished the day undefeated and took out the Gold to make it a double for the girls.

The boys were not to be outdone and their team that comprised of only one senior boy left no stone unturned in their efforts to mix it with the best Central Schools in the State. Ethan and Lochie accepted the late call up when players became unavailable and their efforts were truly appreciated. Henry and Toby, along with Ethan and Lochie ensured our players in the middle of the field had the space, opening gaps through their wide stance in attack, and making some crucial touches in defence. Games were tight, but the boys were off to a great start defeating Uralla and Walcha early on and going try - for - try with Boorowa to end the game in a draw. Hughie and Fletcher showed us all how to put our bodies on the line, diving for the try line many times to ensure we kept the points flowing. Kye and Jordy ensured that essential meters were gained as they drove down the field, creating great field position. Brayden and Caylum kept the intensity up, allowing our boys to work their magic putting more tries on the board. Oscar worked hard making vital touches, bringing the boys with him, making sure the defensive line was up and ready. A convincing win against Woodenbong where Robert scored a runaway try put the boys with a strong for and against going into their last game against Coolah, but they couldn't quite come up trumps. With no team going through without a loss, it was a count-back that would decide the medals. Boorowa Gold and Dunedoo the Silver!!!!

Congrats to Shelley and Fletcher taking the honours and being award the MVP's in their respective competitions. Congratulations DCS! A super effort all round!!

Central Schools State Netball Finals

OPENS

Thursday 5th September saw the DCS Opens netball team take on teams from across the state. The girls played extremely well and finished 4th overall at the end of the day.

Balranald 32-13 (L)

Manilla 30 - 23 (W)

Coolamon 36 - 9 (L)

Uralla 21 - 17 (W)

Lake Cargellico 30 -11 (L)

Lake and Coolamon went on to take out the competition.

UNDER 16S

Friday 6th September saw many of our girls take to the courts again competing in the Year 10 & Under competition. The girls came out hard and played their absolute best across the entire day. DCS came away undefeated, bringing home the Gold Medal and some very big smiles.

Lake Cargellico 25 -22 (W)

Coolamon 34 - 21 (W)

Uralla 27 -23 (W)

Manilla 42 - 20 (W)

Thank you to the parents who assisted in transport, scoring and being our cheer squads. Another thank you to DCS P&C for funding the new netball dresses that were worn on the day, the girls looked fantastic.

Central Schools Finals

Rugby League 7s

Opens Boys

Congratulations to the Central Schools Rugby League team! The Opens team played incredibly well, earning a silver medal in the grand final against Lake Cargelligo.

A special congratulations to Fletcher Hogden for his exceptional leadership as captain. His inspiring speech at the medal ceremony was a highlight and a great example of the true spirit of the game.

14s Boys

The 14s boys showed remarkable resilience and sportsmanship throughout their matches, even in the face of narrow defeats. Your effort and spirit were truly commendable. Well done to all the players for your dedication and teamwork!

Primary Touch Football Gala Day

On Wednesday 4th September, our Primary students travelled to Mudgee to participate in a Touch Football Gala Day. With footy season now finished, the footy boots came out one last time before being aired out and packed away for the remainder of the year! All students reported having a great day and loved showcasing their impressive touch skills!

PSSA Dubbo District Athletics

On Friday 6th September, 24 Primary students, including a couple of 8yr olds, qualified for and attended the Dubbo District Athletics Carnival. All students competed courageously in events on the track and field, including shot put, high jump, long jump and discus! Paul Murray, Angus Roberts, Ashton James and the Junior Girls Relay Team PROGRESSED to the Finals!!! Angus Roberts came 3rd in the 1500m, however only 1st place will progress. A huge congratulations to Ashton James who ran like the wind and came 3rd in his 100m Final! Ashton will now compete in this event at the Western Region Carnival later this month. Well done!!!

PRINCIPAL'S REPORT *Week 8 Term 3!*

Congratulations —to all of our sporting teams and individuals who competed last week in the NSW CHSSA Central Schools State Finals. It was a fantastic week with excellent achievement from all students and teams across the week. Below is a summary of the results:

Monday— Open Bowls Team: DCS finished 3rd;

Tuesday—16s Girls Touch Football: DCS won Gold with Shelley Cox awarded MVP for the competition; thank you to Oscar Christensen and Fletcher Hogden for refereeing;

Wednesday— Open Girls Touch Football: DCS won Gold; Open Boys Touch Football: DCS won Silver with Shelley Cox and Fletcher Hogden awarded Most Valuable Players for this competition;

Thursday— Open Boys 7's League won Silver and 14s League finished 4th ; Open Girls Netball: DCS finished 4th

Friday— 16s Netball Team: DCS won Gold

A fantastic effort from all students involved! Thank you to the coaches Mrs Rachael Hogden, Mr Dan Lane, Miss Lisa McDonald, Miss Emma Myers and Miss Georgia Price. Thank you also to parents who assisted with transporting students throughout the week.

Well done to all of the Primary students who competed at the PSSA Dubbo District Athletics Carnival last Friday, with Angus Roberts, Ashton James, Paul Murray and the Junior Girls Relay Team all progressing to the finals. Well done to Angus Roberts finishing 3rd in the 11 Years Boys 1500m and Ashton James finishing 3rd in the 100m.

R U OK? Day—R U OK? Day is our National Day of Action dedicated to reminding everyone that every day is the day to ask, 'are you OK?' and support those struggling with life's ups and downs. R U OK? Day is marked on the second Thursday of September and the next R U OK? Day is this Thursday 12 September 2024. Ask R U OK? Any Day because life happens every day. A lot can happen in a year, a month, a week. Whether it's your friend, family member, colleague, partner, or teammate, the people you care about go through life's ups and downs every day.

By having regular, meaningful conversations, you build trust and normalise talking about what's really going on, so when the people in your world find themselves struggling, they know you're someone they can talk to.

We are asking staff and student to 'Add a splash of yellow' on Thursday 12th September. Students are asked to wear their normal school uniform but add a 'splash of yellow' on the day.

Well done—to all of the 22 students who competed in the Donna Lane Squash Shield at Parkes yesterday. There were 74 students competing from schools across the Western Region. Again Dunedoo Central School were very successful with the number one Boys and Girls teams taking out the Overall Championship. Congratulations to Oscar Christensen, Chelsea Gallagher, Fletcher Hogden and Asha Russell on their fantastic effort. These same four students were successful in winning the inaugural Blackstock Shield for Primary Squash in 2019. Chelsea was also Runner-up in the Individual event with Fletcher making it to the semi-finals!

Have a great week!

Donna Lane

ASSISTANT PRINCIPAL'S REPORT

Hello and welcome to Week 8!

Congratulations to Hunter Baker, for being our Catch of the Week. This weeks focus is Make Their Day – Use Manners.

We have another busy week ahead, some of the activities include;

Wednesday – The Infants students are going to St Michael's to watch their performance.

Thursday – Yr 5/6 are going to Green Day in Mudgee.

Friday – Year 5/6 Assembly in the Hall at 12pm

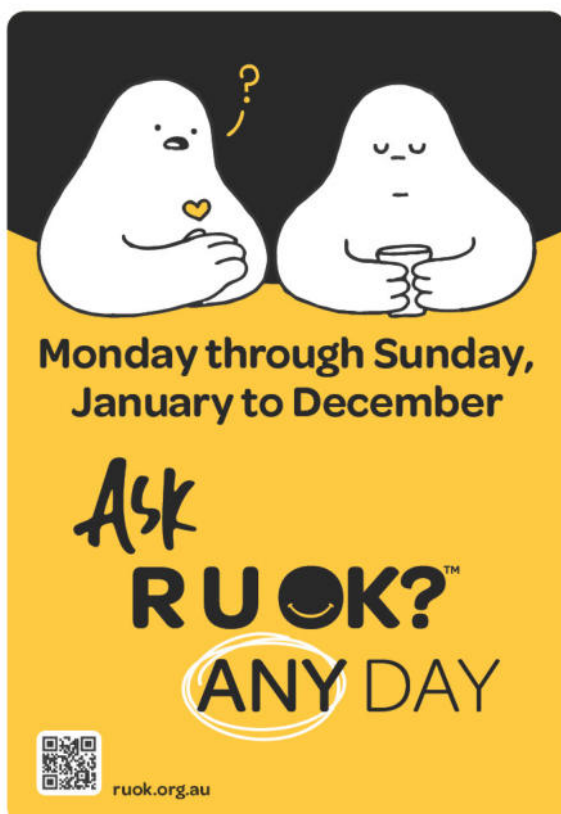

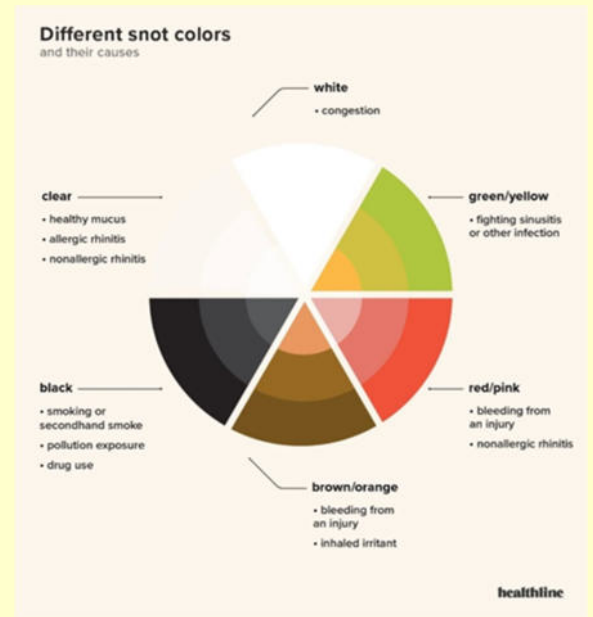

Unwell Children

There is a lot of sickness circulating at the moment! We thought we would remind everyone that while attendance is important, keeping sick children home is key. While this is not a pleasant topic the picture shows the varying colour of snot and what is infectious. If it is infectious, then your child needs to remain at home to rest and recover. This also avoids passing it on to other staff and children. Thanks everyone for your cooperation.

Have a great Week!

The Assistant Principal Team

Georgia Shephard, Tammy Gallagher (relieving) and Ben Kline.

2025 School Captain Candidates

Georgie

Gillard

Why do you want to be school captain of DCS?

I would like to be considered for school captain for 2024 because I believe that I can be a great role model for all of DCS students from both primary and secondary. I want to be able to help students throughout the year to realise their potential and find their place at DCS. I would like to be given the chance to develop my public speaking, to work with staff and students on anything that needs doing at any time.

What do you see as the responsibilities of a school captain? How would you ensure you maintain an active and prominent role?

A school captain needs to be available at all times during school. They need to be approachable, sociable and optimistic. Students of any age need to be comfortable coming and speaking to a school captain. School captains also need to be the bridge between students and staff, while upholding our school motto and representing DCS with pride.

What qualities can you bring to DCS as a school captain?

I can bring a bright, bubbly personality to the face of DCS. I have been a part of SRC for the last 2 years so I am aware of the responsibilities involved. I was a part of Lions Youth of the Year so I have public speaking under my belt. Overall I want to continue to improve myself in this role.

What do you think DCS has to offer? How could you encourage others to make the most of these opportunities?

DCS has many opportunities including Agriculture opportunities, sporting and academic. Teachers at DCS are inclusive in their teaching and always strive to include students in opportunities such as TAFE and working out their career. As school captain, I would be another person in that child's corner helping them to strive for greatness. I wouldn't just be there for them but also on a mental level, as a person for comfort.

What issues do you think need addressing within DCS? What would your role be in addressing these issues?

Maintaining the inclusive environment, bullying: making classrooms and playgrounds a no bullying zone through being available and encouraging others to do the same. No matter the circumstances we need to be open and available for those around us.

What contributions have you made to DCS in recent years?

My contributions to DCS include being a part of the netball teams for the last 2 years, being on SRC for Yr 10 & Yr 11, public speaking that led me to winning the Senior Division as well as being a part of Lions Youth of the Year. I have been a part of whole school staffing days. I also led a roll call activity about beauty to help younger kids.

Additional comments

Moving to Dunedoo and having the opportunity to attend Dunedoo Central has provided me with the ability to challenge myself and grow in confidence within a supportive environment. I would like the opportunity to support other students to reach their full potential.

2025 School Captain Candidates

Ella

Stig

Why do you want to be school captain of DCS?

To be a bigger part of the school community. I like to help those around me, all students included. I want to be an active member within the school and also represent the school, to learn more about Dunedoo, it's people, our school and it's staff and students.

What do you see as the responsibilities of a school captain? How would you ensure you maintain an active and prominent role?

A school captain has to be a positive role model and a friend. They need to be able to organise, speak publicly and represent their school. I would set the best example I could in everything I do at school and offer a helping hand to anyone who needs it. I would be present and involved in all aspects of DCS.

What qualities can you bring to DCS as a school captain?

I am easy to talk to and always try to lift others up when they're feeling down. I can relate to students undertaking new experiences, being new to DCS myself.

What do you think DCS has to offer? How could you encourage others to make the most of these opportunities?

DCS offers students agricultural and academic opportunities, along with sporting opportunities and cultural activities, such as Art Unlimited and encouraging volunteering and working within the community. The school helps anyone achieve if they are willing to try and I am willing to encourage everyone to try.

What issues do you think need addressing within DCS? What would your role be in addressing these issues?

Bullying is a big part of school communities, it is a very sad thing. Thankfully Dunedoo is such a welcoming school and is full of kind and caring people that there isn't bullying going on and everyone is ok. If it does occur I would like to be a person people would come and talk to if they ever felt alone if they were ever being bullied.

What contributions have you made to DCS in recent years?

I have only just arrived at DCS and I would love to contribute to this school in any way possible and being in Year 11 going in to Year 12, I would like the chance to represent the students that have welcomed me. I plan on being involved as much as possible. I look forward to participating in things over the next year.
